

Christmas news

Though we have not been able to proceed with some of our usual Christmas activities, we are still hoping we can help make your Christmas special.

We are putting together about 30 Christmas hampers, containing ‘treats’ to distribute to some of our senior citizens who are in particular need of a ‘boost’ this Christmas. We would welcome any items you would like to donate for these. Just drop them into the shop or pass them on to any of our volunteers. Our very grateful thanks go to those of you who have already given us some super hamper treats. We really appreciate your generosity.

Our own ‘Age Concern Menorca 2021 calendars are now in stock and are for sale for just 6€. They are A4 size and a photograph of the front cover is shown here.

We have a good range of Christmas stock including decorations, ornaments, cards and calendars.

Support in Spain

We are very pleased to be working with the ‘umbrella’ organisation Support in Spain who work in collaboration with the British Embassy. Support in Spain is a ‘one stop shop’ for up to date advice and help for older and vulnerable U.K. and other foreign citizens who are resident in Spain. Leaflets are available in the Age Concern shop and we would encourage you to visit their website www.supportinspain.info

Our Website

Our new website: www.ageconcernmenorca.com now has a ‘donate’ button so you can make donations to us easily. All news is posted onto the website as quickly as possible so it is the best source of current information. We would appreciate any feedback you’d like to give us after visiting our site so we can try to make it even better.

Thank you all for your continued support. We hope you all have a Merry Christmas and a Happy New Year!
